## Science & Engineering Communication Fellowship Short Course Application

Name:
Employer or Affiliated Institution:
Position:
Phone number:
Email address:
Professional memberships:

Briefly describe your current work, science research, or area of expertise:

Why are you interested in participating in this program?

Professional development workshops will prepare Fellows to present public programs at the Museums.

- Attend two 5-hour professional development workshops at The Discovery Museums
  - Saturday, March 4, and Saturday, March 25 from 10 am to 3 pm
- Consult with education professionals to develop a hands-on activity related to your work, and test your hands-on prototype with The Discovery Museums educators and youth volunteers
  - March through April 2017
- Meet with the public and share your research and activities during a Free Friday Family Night!
  - Friday, May 5, 2017, 5:30 pm -8:30 pm

I understand and agree to the commitments above.

I cannot commit to the upcoming session, but I am interested in learning more.

For more information, visit <http://discoverymuseums.org/fellowships>. Please call Denise LeBlanc, Director of Learning Experiences, at 978-264-4200 x 20 with any questions.

Application must be submitted by **February 13, 2017**, via email to [dleblanc@discoverymuseums.org](mailto:dleblanc@discoverymuseums.org). Space is limited, and **there will only be one cohort in 2017**. Thank you!
